You Made the Right Choice!

Accepting Jesus as your Lord and Savior is the best decision you've ever made.

It's going to change your life!

What has changed?

You now have
a personal relationship with God.

Jesus' death on the cross opened the door for you to have an intimate relationship with God. He is your Father, and He loves you and desires to take care of you.

You are
forgiven.

It doesn't matter what you've done. When Jesus died on the cross, your sins weren't just forgiven — they were forgotten. You're starting all over again with a clean slate!

You are
on your way to heaven.

Heaven and hell really do exist. And if you die today, heaven will be your new home!

You are
a child of God.

You now belong to His family! That means you can trust Him completely to take care of you. He desires to meet your needs and help you live in health and victory.

Now What?

Pray

When you meet someone new, the best way to get to know that person is by talking to him or her. That's what praying is — talking to God. You can talk about anything you want to . . . for example, how thankful you are for Jesus, any needs you have — or just say hello! Then listen. God has much to say to you. You may not hear Him with your physical ears, but you'll hear Him with your heart.

Read the Bible

Everything you want to know about God can be found there. You can discover His personality, His plan for your life and how much He loves you! Think of the Bible as spiritual food that can help you grow into a strong Christian.

Attend a Church

Find a church where you are loved and accepted, and that preaches the Word of God. There you will find people who can guide and encourage you.

Follow the Commandment of Love

There is nothing you could have done to earn your salvation — it's a free gift! You follow God's commandments not to earn or keep your salvation, but because you love Him and want to be obedient to Him. God's greatest commandment to us is to love one another, just as He loves us. Each day, strive to follow this Love Commandment. If you mess up, just ask Him to forgive and help you. Your life will continue to be transformed by God's great love for you.
